EXAMINORS' REPORT

Spiritual Directors in Europe: Company No: 05461532

As requested by the Annual Meeting of the Spiritual Directors in Europe, I have audited the accounts and financial reporting of the financial year of 2022.

I have verified that the accounts of the year 2022 have been kept according to generally acceptable accounting standards and that all entries are supported by appropriate documentation. The income and expenditure account of the year 2022 shows a deficit of 7 257,25€. The bank account balance of 2 639,59 € has been verified and reported according to the bankstatement. The cash balance is 246,33 €.

In my opinion, this financial report gives a true and fare view of the state of affairs and profit and loss for the year, and I recommend the accounts of approval by the Annual Meeting.
